# **FARE STRUCTURE**

Self-employed drivers can of course work whenever they like so to encourage more coverage when drivers are most needed our Friday and Saturday night PREMIUM RATE fares now begin at £3.60 for the first mile then £2.20 / mile thereafter.

A new PEAK RATE of £3.40 first mile then £2.00 / mile thereafter operates during peak demand weekday mornings, afternoons and late nights as well as all day Friday, Saturday, Sunday & Bank Holiday Mondays.

For drivers who prefer sociable hours to higher earnings our OFF-PEAK RATE of £3.10 first mile then £1.90 / mile thereafter can keep you ticking over on weekdays.

An additional £1 surcharge applies to all Liverpool Town Centre pickups to compensate drivers for road works, traffic congestion and one way systems. Waiting time has also been increased to 30p / minute.

# **BOOKING PREVIEW FEATURE**

Delta recently introduced a new popular feature where drivers are given a 20 second preview of each booking with the option to accept or reject any journey they're offered.

# **AUTO-BOGEY**

Instead of queuing to speak to query operators Delta has fully automated the process for drivers to report bogies (no customer found at pick up).

# CHOOSE FROM THE FOLLOWING TWO DISPATCHER OPTIONS...

#### YOUR OWN ANDROID DEVICE.

Use the latest version of Delta's Driver App to receive work through your own Android mobile or tablet.

# **DELTA'S ANDROID PHONE**

With a £50 deposit you can use a Samsung Galaxy XCover 4s mobile that belongs to Delta and get your deposit back following its safe return. Company phones are fully locked down to just the Driver App so cannot be used for any other purpose.

# CHOOSE THE TYPE OF PAYMENTS YOU PREFER FROM PASSENGERS...

# **ACCOUNT WORK**

Businesses and Local Authorities spend millions of pounds each year with private hire drivers booked through Delta on account. Payment is credited to each driver's settle within a guaranteed seven days. Drivers who prefer NOT to accept account bookings remain exempt for an additional £5 / wk.

# **CARD WORK**

With Contactless Card Readers now costing as little as £24 and processing fees of only 0.79% (less than 8p for every ten pounds processed) the vast majority of drivers operating through Delta now carry their own readers. Contactless bookings now account for HALF the work arranged through Delta so you'd be well advised to accept cards. Drivers who prefer NOT to accept card bookings remain exempt for an additional £10 / wk.

## **CASH WORK**

For many drivers it still remains the case that CASH IS KING so it's worth noting that around half of the work arranged through Delta is for passengers paying cash on completion.

# ALREADY HAVE A BADGE?...
